For all years, the RSHE curriculum will be taught as part of the PSHE curriculum. Lessons are for all students and attendance is registered.

The curriculum is delivered by a team of tutors, as well as by independent speakers and visitors from external

### Students should know

- their rights, responsibilities and opportunities online, including that the same expectations of behaviour apply in all contexts, including online.
- about online risks, including that any material someone provides to another has the potential to be shared online and the difficulty of removing potentially compromising material placed online.
- not to provide material to others that they would not want shared further and not to share personal material which is sent to them.
- what to do and where to get support to report material or manage issues online.
- the impact of viewing harmful content.
- that specifically sexually explicit material eg, pornography presents a distorted picture of sexual behaviours, can damage the way people see themselves in relation to others and negatively affect how they behave towards sexual partners.
- that sharing and viewing indecent images of children (includin

- how the different sexually transmitted infections (STIs), including HIV/AIDs, are transmitted, how risk can be reduced through safer sex (including through condom use) and the importance of and facts about testing.
